THIS BELONGS TO DANNY SNEED (on really?)

RESERVED FOR MISS WINDMILLER

Dear Danny - It has been a fine three years having you in concert choir. You have always been there when I needed you. (Even from the days of the silly soph!) Your musicianship is unquestioned. A few more years of maturing vocally and there's no telling what the possibilities are. But most of all, your tremendous interest in everything musical is always an inspiration to any music teacher. Pitourne!

RESERVED FOR KATHY CARROLL

Danny,

I seriously doubt that I could get all that I would like to say on every page of this book, much less 1/2 page. I could never share the many good times we have had with anyone else. Remember walking me home after musical practice, because I was scared to go alone? And who else would be awake, much less be able to drive at 6 am. Someone once used the word "angel" when describing you ... and I could not agree more. You are the more gentle and caring person I've known, and I have grown to love you as I know you. Please keep in touch ... I plan to see you a lot. I love you

Dear Bisons,

We have had a great year. Sunset has been luckier than most schools in Dallas. The Bisons have proven again that Sunset really is "the best of all the rest."

The spirit and co-operation shown this year have been tremendous. I want to thank all of you for that. It has not been easy, but Bisons always come out on top.

Many of us will be graduating this year, but the Spirit, Knowledge, and Friendship of Sunset High School will never leave us. Those of you remaining here will have the responsibility of continuing Sunset's tradition. Remember that you will be only as strong as your weakest members.

My special thanks go to Mr. Filgo who must be the most wonderful man in the world, or at least in the Dallas Independent School District. And also, I would like to thank Miss Smith, who is the most understanding Senior Counselor in the world.

Good luck to you all. Remember that Bisons are forever bound by two things: God's love and the love of Sunset.

May God Bless you.

Sincerely yours,
Becky McCally

Danny,

"Hi" - I'll never forget that one word that made us such good friends. (except, of course, for Alfredo Eduardo) Anyway you have been a great friend. I'll never forget the dumb stuff we did when ^{we} were young. ^{But} Since we have matured, we still do dumb things. By this time B.T.U. (Pope Betty xxviii) is driving me up the wall. (literally) SHE'S NUTS ... but so am I... I must be to be friends with you. One good thing about our friendship is we never argue (well almost never). Barry and I get along great... we're going to have a fab ulous time at U.T.A. (just kidding) But remember you have others.

All seriousness aside, it really has been a good 3 yrs. (don't you see). Hopefully we will be friends forever or at least until one of us dies. (utkk.)

Danny,

It's been a great year and I'm glad I got to know you. It's great to have friends like ya. Remember all the crazy things in drama like your books disappearing right before the bell rings. I confess... I did it. (Not really!) Anyways, I'm going to miss you, along with all the other seniors, so you'll have to keep in touch. When you go off to that great Big WORLD of COLLEGE let me know what it's like, so I'll know what to expect. Beware... cause someday Nancy and I may come to get you sometime, that is whenever we can escape from the Funny Farm! Anyways, come back to see those who are still at Sunset next year. Danny,

I'll this is the most appropriate place I could find to sign this year's annual. From what I do remember from my Junior year and our acquaintance, I can say that I enjoyed getting to know you and work with you in the musical. You and the rest of the Concert Choir were especially good this year. I was really proud of all of you. I know that you must have had a great senior year, because I know I did. You'll enjoy college even more. Just remember that no matter where you go, you'll be exposed to new things but if you're firm in your beliefs and you're not afraid to take your stand, then college won't be too big an adjustment. Always treasure your Senior High School years and the friends you made because it will never be the same again.

May God Bless You & Keep you

Danny,
 It was really fun
 being in this dance
 with you. It was
 quite an experience
 with you at Mt. View
 and the musical performances
 I'm just sorry this was the
 first and only musical I had
 the pleasure of being with you in.
 Good luck in the years to come.

 Stay as you are

My sophomore year has been so fantastic, I don't see how you can leave it with you as a terrific person to match. I hope that everything you want out of life comes your way, but most of all happiness. It's going to be so different without you next year, and to use the old cliché "It just won't be the same without you" it just Please come see me next year - don't forget the little sophomores, all right? for the true sound of Sunset listen, the Bisons Speak

In my three years at Sunset High School I have grown in knowledge and maturity. The great traditions of Sunset were just that my first two years, great. But this year the traditions and spirit of the Bisons have dwindled. It is up to the Seniors of 1974 to restore the faith in these traditions and get the Bison spirit on top again.

To the Class of 1973 I would like to impress upon you the importance of obtaining an additional education after finishing at Sunset. Knowledge is the key to success of life. You have filled my three years at Sunset with memorable joys. There have also been a few sad moments also. Keep the Sunset Spirit with you always as you travel down the road of life.

Keep the faith of
Jesus and may God
bless every one of you

Cris Hatcher

Fellow Bisons:

During our three year stay at Sunset, we have learned so very much. Not only have we become adults, but we have also learned to conduct ourselves as adults should. We no longer think as adolescents. Instead, we have set our minds on the thought of whether we will play a major or minor role in the molding of our futures.

For some of us our goal has been accomplished by graduating, but for others, the quest for that "shining star" has just begun. We are not completely satisfied with the accomplishment of one goal; we set upon ourselves goal after goal after goal.

We are very lucky people, surrounded by our friends and by a great faculty, who has made us realize that we are the "future" and that we must try to make it better for the coming generations. We have come to love and respect all the things and traditions that make Sunset the outstanding school it is today and will continue to make it so.

Now that our stay (Seniors '73) is over, we will scatter throughout the world. Friendships will be broken and Sunset High School will be left behind. But no matter what we do or where we go, Sunset will always remain in our hearts.

Hope everyone gets the best out of life.

Love ya'll,

Martha Garcia

No person stays the same each and everyday. Just as our body cells change and grow, so do the facets and dimensions of our personalities. Perhaps the most drastic and permanent have taken place in our years at Sunset. We have shirked many "protective" traits or trademarks and realized that a person who knows himself does not need to be known. If we have come to learn what goes on in our own minds and hearts, we may find it easier to understand the minds and hearts of others.

Never should we take another's views as our own, for this only stifles the mind, and soon the free-thinking part of your soul. Being stifled, we become dissatisfied with ourselves, learning to hate. Above all, we cannot let ourselves hate for the sake of hate. Sunset is the place to begin a life built on a foundation of understanding and empathy.

I am very optimistic about the world we are starting to build. A more aware, sensitive, and hopefully, a more peaceful world.

Kathy Carroll

How inspirational...

When I look at the world around me and consider my life, one of these three attitudes usually controls my thoughts:

"Is it all for you me?"

"What can I do with this mess?"

"Take the bitter with the sweet."

My experience at Sunset, which was shaped by every one of you, has given the times and the situations for all of these attitudes. It has been good, and it has been bad. It has been right, and it has been wrong. It has been neither right nor wrong, nor good nor bad. But one thing is always certain: life is always changing. If we can use what we have learned from life at Sunset, and apply it while we live on this everchanging planet, perhaps we can change it for the better. In return, the earth and its' inhabitants can give us the love and happiness with open arms when it is there, and endure the sadness with the hope provided by your creator.

1972-73 started as a year of uncertainty. No one was sure what the courts would do or when they would reach a decision. Would the boundary lines remain the same? Would students be bussed to other schools? Almost half our students were in Sunset for the first time. And yet as the year progressed, more and more students were falling into the traditions that have been a part of Sunset for many years. Always striving to achieve the pride that comes from belonging to a group when the individual has had a part in helping the group achieve greatness. This student body is to be commended for its dedication to the purpose of education and understanding within a community.

1972-73 has brought us new problems, but has caused us to find new answers. Perhaps our future will be better because this year has taught us to have faith in the students and family of Sunset High School.

The Board of Education and staff of the Dallas Independent School District are committed to providing a quality program for every boy and girl in the district. This philosophy includes all the children of all people, emphasizes the need to reduce dropouts, and provides each child a program suited to his needs.

This aim has not been reached, and many students have found the school irrelevant to their needs. The purpose of developing these centers is to help children of school age find meaningful experiences in school.

Danny,
 It's great to be able to say goodbye and have the
 feeling that you don't want someone to go. These
 are my exact thoughts as I see so many
 friends prepare themselves for a life that they
 they can't be sure of. All I can say is ~~may~~ may
 God bless you and keep you. By the way I need
 to thank you for a great year in career choice
 in which we all had our ups and downs but all I
 can say is thank you.

Count the good things you've got going.

Maybe it was easy,
maybe it was tough. Either way,
it's good to have the
high school years behind you. Now you
can do and be just about anything
you choose.

You've got a lot of good things
going, a lot of them on electricity.
Music is only one example.
Electricity brings your favorite
artists right into your own

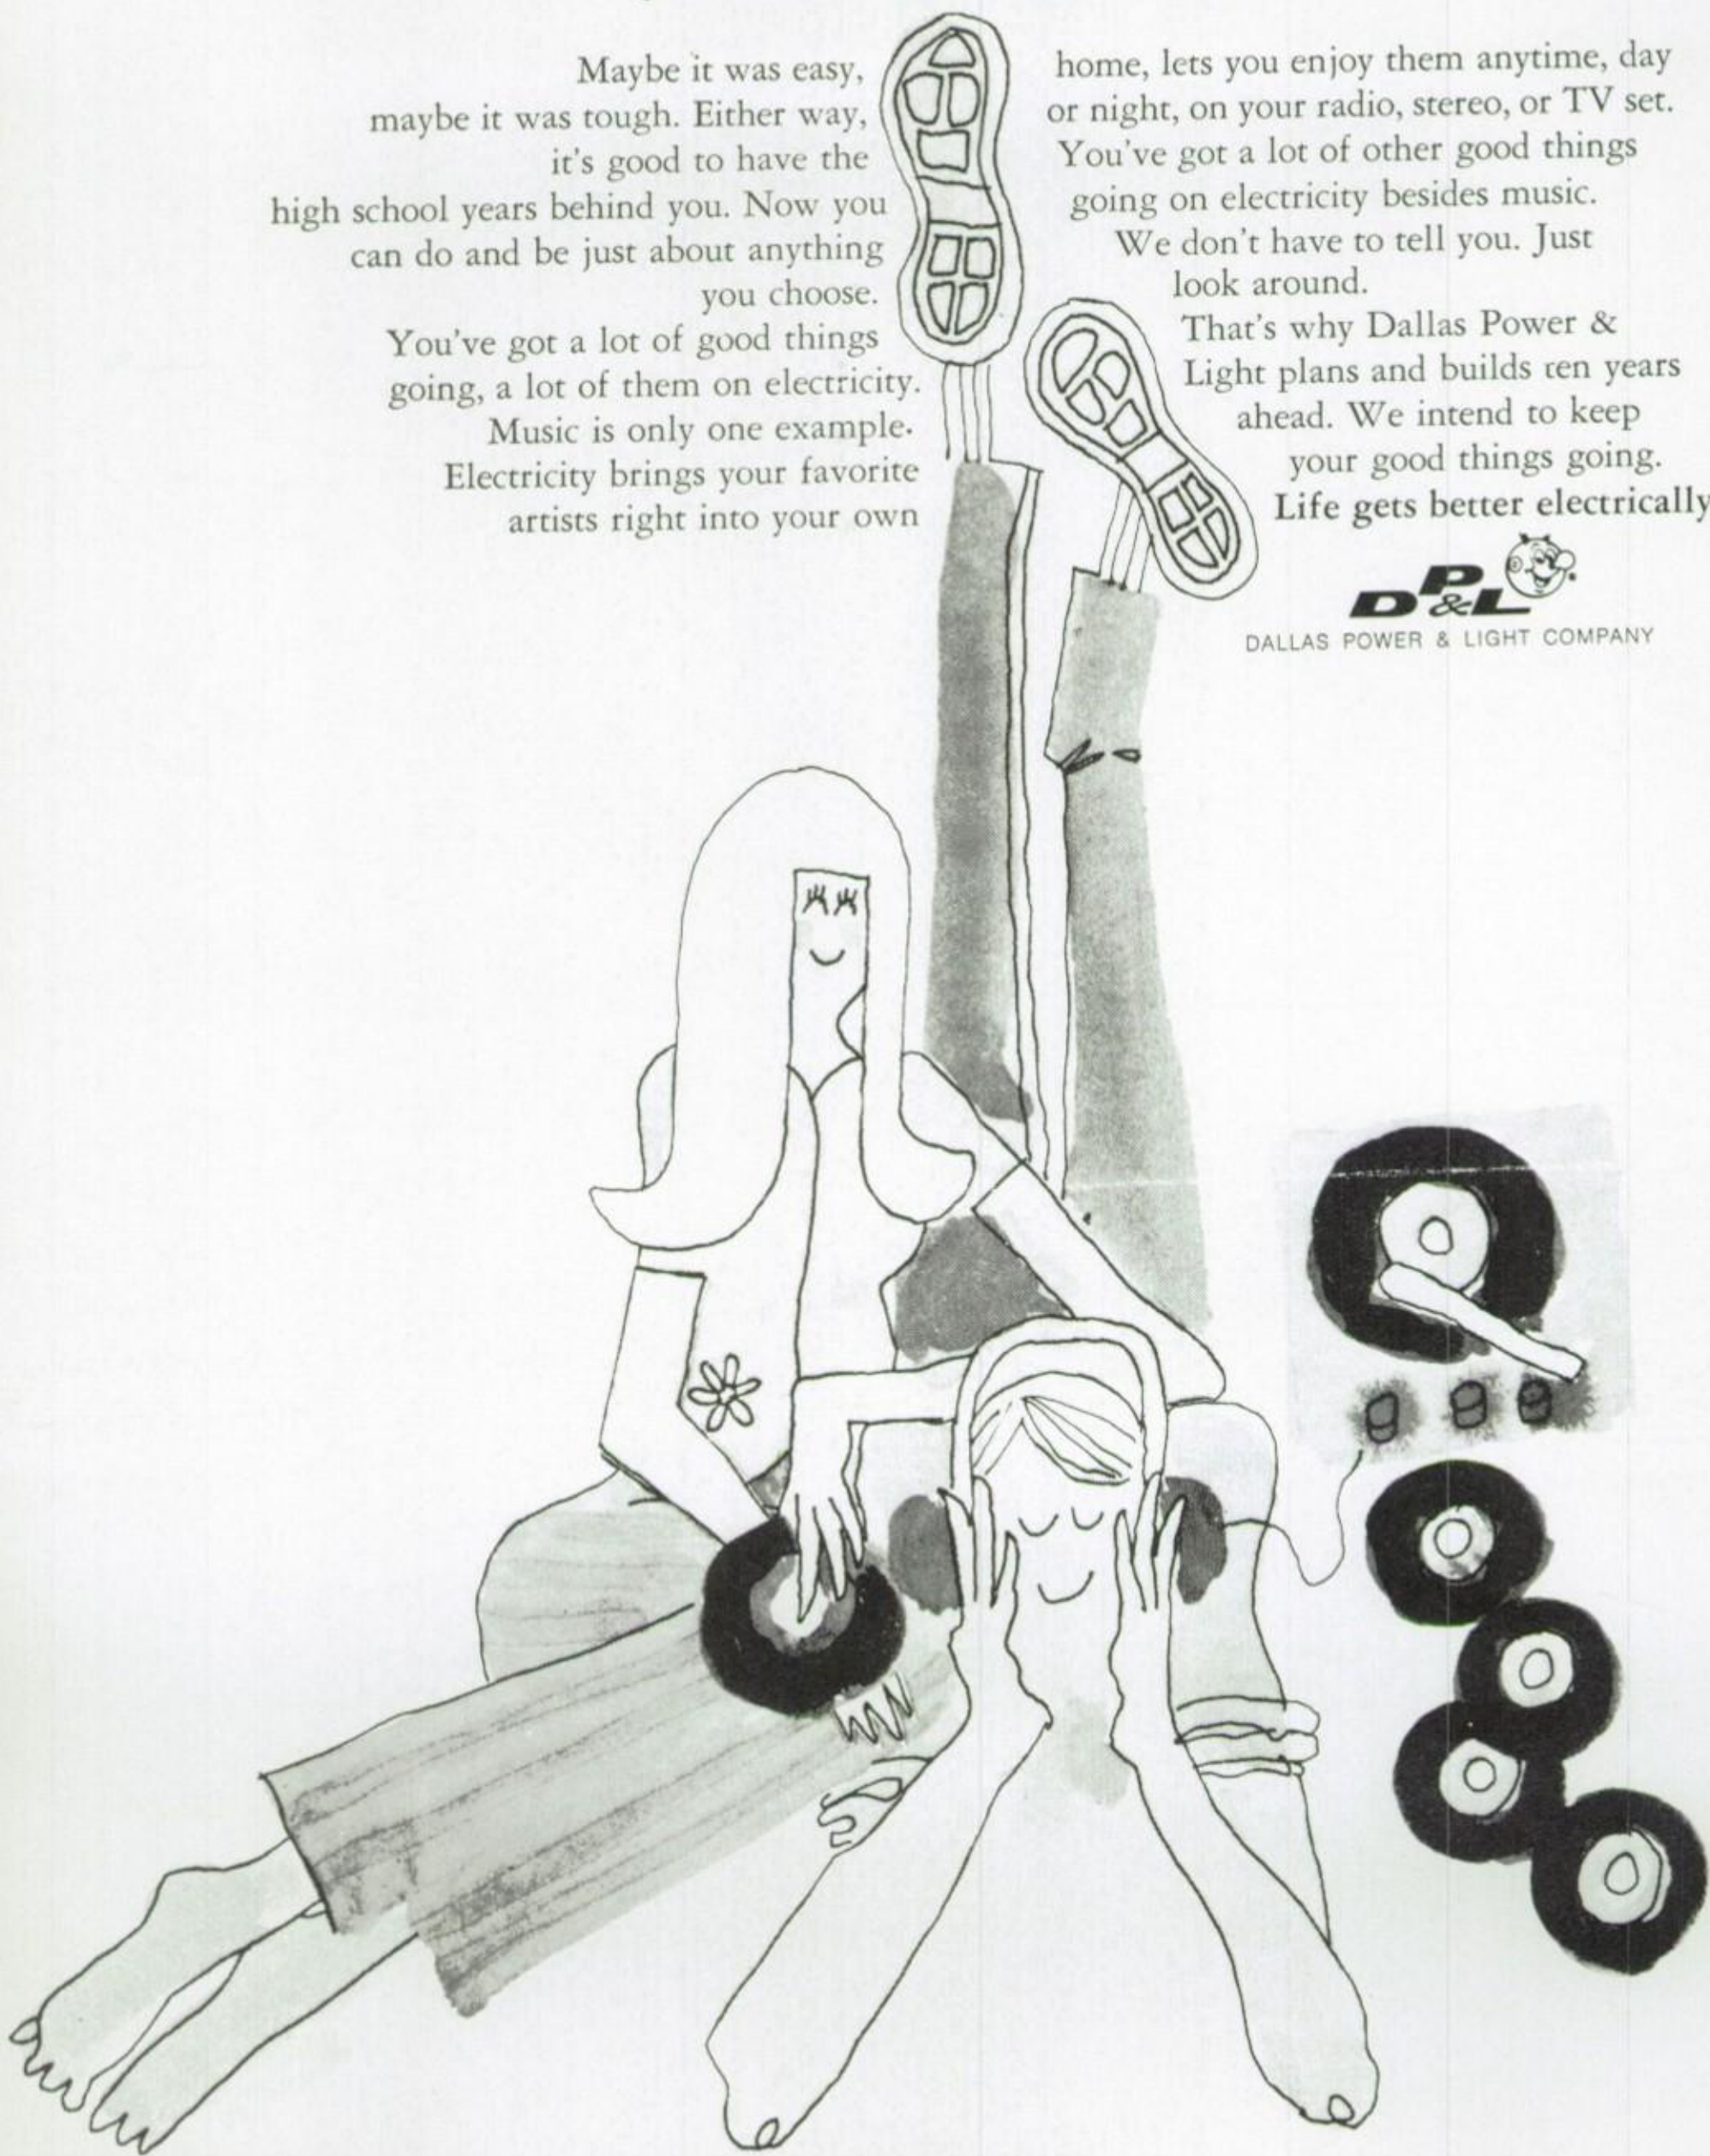

home, lets you enjoy them anytime, day
or night, on your radio, stereo, or TV set.
You've got a lot of other good things
going on electricity besides music.

We don't have to tell you. Just
look around.

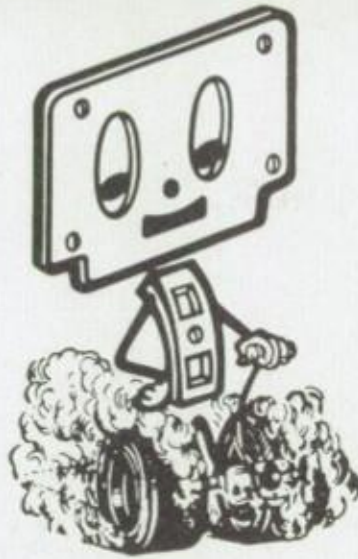

That's why Dallas Power &
Light plans and builds ten years
ahead. We intend to keep
your good things going.
Life gets better electrically.

You are the absolute sweetest, most beautiful
body I have ever met. I am so glad I
got to know you in Drama this year. Please
let's always be friends and keep in touch because
I love your fantastic house + brother. Really,
I think you are one of the few people who has
it together in this crazy mixed up world. The other
two are me + myself. Even if we don't ever see
each other again, I'll never forget you.
(I love you in spite of Hubert.)
I love always
these

ps. I will always want to be your Dulcinea + your presence at Sunset will be one of my most touching
as Sunset changes,
I really do love you. I love

so do we all. If our
personalities

so do our lives.

Danny,

Good Luck in
all that you do. You're
a very sweet person
and it's been so fun
knowing you. I hope
you're senior year
wasn't as big a
disappointment as
mine was.

Good Luck,

To my very dearest Danny in the whole world
You've really been special to
me this year; especially in English.
Our little signals across the
room mean a whole lot &
I've still got our love note.
You were a fantastic Macbeth..
didn't we make a lovely couple?
You're such a fantastic person.
Danny, I know you're going to
be something someday. (What
I'm not sure) No, really, I'm sure
you will be a success. Have a
really fantastic summer and
always remember six flags;
"giffy, giffy", Don Quixote,
sword fights in the Drama
Room, and the Wife of Bath.

Love you forever & always
with all of my heart,
Robert

Danny,

How do I love thee, let me
count the ways. Well there are so many
I just couldn't possibly count them all. You
will never know how much you have come
to mean to me & I am going to miss you
very, very much. I hope you have the
Best of luck in everything; just remember
to keep the love in your heart. Well kid,
Have a nice summer & a Beautiful Forever
Lots of Love & Kisses,

Julie Clem

Danny,
This was a very enjoyable for me in concert choir. I really
enjoyed getting to know you as well as I did. I really enjoyed the
musical with you. The experience could over have any better
senior friends as I have this year. Well I hope we keep in touch
come back sometime to C.C. and see me.

Angela who?

Danny,

First of all, let me say that without a doubt, I love you madly!! When could I possibly begin to recall all riding with thought all the enjoyable musical rehearsals how we all were able to get along with M.P. so beautifully (I had so slow to anger) remember how we all packed 400 people into Kevin's car like we had good sense. & I remember you saying "ya'll will all look back on this and laugh someday" and we all proceeded to kill you. Remember my part in your face every day in 6th period in English our 1st year (I'm sure this is one of your most treasured memories ~~there's~~ there's so much more, it would take the rest of the pages in this book. & Who could ever forget lunch & my famous saying (I don't wanna go to gym) Well, thank God I don't have to go anymore! ya! Danny I'll never forget the way you ~~reminisced~~ reminded all the little things I did at lunch, such as my lovely laugh. Well, I'm running out of room but I'll never ever forget you & I will always have special memories of you & the more things we did I love you
angela Dunn 'SRS' 13

Danny,

Wow I can't believe its almost over! Do you remember the first of school when I sat next to you- and you would whisper "Nancy", I knew right then that we were going to have fun this year. Remember sitting in there laughing every day. Remember the time we played being at camp - (that was funny), remember my tragic^{scene} "Ahh-rover" (you laughed all day), remember um - that was good. There are so many fun things we have done in there this year. That class would never have been as much fun without you. (I really mean it) You always kept me in stitches, "Stevenson, Kipling, Kim, Jungle Books." And also, with all your funny faces. Remember sitting in all the assemblies together - I remember chasing you up the stairs all year - you have got to have the longest legs. Remember sitting in lunch making fun of Angela, and Kevin! "She knows", "Thats the one thing that makes me mad", there are so many - "You like Alfred better than me" - etc...

Danny, I know that our good times are not over yet - by far - we still have a week of being counselors together to go. That is going to be so much fun - I'll probably be laughing and chasing you all week. I can't wait. We have to get together and plan some of the things we are going to do.

I have really enjoyed knowing you - you are a one of a kind guy. I mean that in the nicest way. I pray that you will have a meaning time at school next year - and that you will grow from all your situations. I have really enjoyed knowing a great guy like you, I only regret not having known you longer. You really mean a lot to me, cause I think you're fantastic. Keep that wonderful personality. Keep growing in your faith - you know that it is the only lasting thing.

Thanks for all the fun memories,

I love you lots,

Nancy

Srs 73

Well Danny (lover-boy), I'll miss you terribly next year. Spanish won't be the same without you. You're one of a million, and I've really enjoyed knowing you. You must have sprung up from under a rock, but that's okay, I love you anyhow. Take terribly good care of yourself. God bless you.

Love
Janet Ross

Danny,
Don't tell
No Nancy & write
this out & just love
her so much. I don't
know what I'd do
without both of you.
Love you both.
(ina)
P.S. See in touch
over the summer
and through the
years.

It's been 3 long years and its finally come to an end. I never thought I would be your friend in our 10th grade year. After Civics I wish now I never would have met you. Really, thats just a joke. Thanks for being my friend these years. Good luck + take it easy.

Barty

[illegible]

Danny,
I must say I admire you because
you always have a smile on your
face! I've never seen you mad! Even
in Don Federick's. Choir has been fun
this year, and we've had a bunch of
fun times flirting! Danny, I hope
you succeed at whatever you attempt
to do and I pray that God will
richly bless you and your future!

Bisonettes 71-73 Love in Christ,
Kathy Mathis

P.S. I'll never forget those big, sexy eyes of
yours. Keep in touch!

Danny,
It's been fun having
you in English this year,
although we haven't be-
come very close. I guess
it's because I'm an "A" &
you're a "D". (A for ass & S
for smart.) Not really!
I hope that the future
brings you happiness
and success in what-
ever you attempt.

Love,
Ramona

Danny,
Well, it's almost over. Just a few more days and the "Senior"
of '73 will be here. It's been a lot of fun this year.
We've had a lot of good times in choir this year - and last
year! You've really a fantastic person, Danny. You are always
so happy and full of life. I know that you will succeed in
everything you strive for. I thank you very much for your
friendship... you really mean a lot to me. You are always so
kind... it seems like you are always ready to stop and speak
even if you are doing something. I hope we can still keep
in touch. I wish you the very best of luck in everything
you attempt. May God always richly bless you. Follow Him in
everything you do for the truly is the solution to all problems.

my darling Danny -

I love you! Choir has been so much fun with you - with your marvelous tenor voice. I will never forget the Vivabelli or the musicals or the Rotary & Lions concerts. And don't forget our sweet & lovable civics teacher, Russian history just wouldn't be the same without you! Danny, thank you so much for always taking time to say you loved me. You are so very sweet and cute that it's no wonder that everybody loves you! I only hope that among the crowds of people who love you that I will always have a little piece of your heart! You will be "especially special" to me forever.

RESERVED FOR MY WIFE

my dearest darling,
I really don't know what to say. I know I'd never had made it without you. You're my favorite person and you'll always be in my heart. I'll never forget when we got married! That was a happy moment. Danny, I really love you very much and I only hope that we can stay in touch. I'm sure I'll never forget you. You're just great. Hope you can find half the happiness you've given me. I'll always love you. Good Luck.
all my love,
Monte

Danny,

We've had some great years at Rosemont, Bruins, and Sunset together. But I think we'll admit this has been the best year ever. The fun we've had together in Concert Choir the past 2 years will probably be the most hilarious experiences of my life. You made these years for me, they wouldn't have meant anything without Danny. Truly you are a facet on the top side of my stone of friends. You've meant alot to me and I know in later years when I can't depend on any friends or anyone I can be comforted by your memories, I may turn to you for help. Thanks for being my boyfriend, I admire and love you very much. There's so few people who bring light and laughter to the world nowadays, but be assured you are a ray of sunshine. The world has much to offer us. It's time to leave the security blanket of public schools and face new situations and dimensions. I hope and pray for you that the opportunities you meet will be rich and plentiful. Please keep in touch. I'll be looking for great achievement from you. Keep the laughs coming, and your crazy attitude that makes you Danny. Be good and stay handsome. O.K? Remember who you are and whose you are.

God Bless you. Love,

Katherine

Danny, we've been together for 25 years and we've been close friends, even though we've had a few arguments, but you'll never have a better friend than I. Remember the good times we had in Baylen. I hope to see you when (and if) you make it. Love, Mom

Danny,
I've only known you
for a year now, but it
seems like a thousand!
I hope that you will
succeed in all of your
future ambitions because
you're so talented! I'll
never forget the long,
tedious hours of musical
rehearsals! Stay nice and
sweet! Good luck always
& God Bless!

Remember to be a good person, not just a good friend.

hunny,

Well we've been friends for a long time and now comes the time when we graduate. I've looked forward to this time for a long time but it's really kinda sad because all my friends are leaving and I won't get to see y'all as often. I do hope that when you go to Baylor, you will keep in touch with me by writing & also seeing me at church. We've been close (I hope) to each other for years now, and you know I like you & always will. I just hope that we'll never stop being friends because your friendship means a lot to me. You have so much going for you - intelligence, wit, and you're a super Christian. You really deserved the Boethian Bible Award because you are dedicated to the church and you show your love for Christ just by being yourself. Keep up the faith and never let your faith falter. You really mean a lot to me and I hope that I mean something to you. I do hope that you continue to grow in God's grace for ~~us~~ he will take care of you.

Love,
Shelly

Danny,
I have really had a blast this year in Choir. I think that we have had a ^{very} good officers staff too. I hope I & Cindy can be as thorough & sufficient as you & Katherine. It's too bad we haven't got to know each other better this year. I guess it's because you have been doing such a great job as TREASURER. Hope I'll do the same! Have a nice summer & be careful!

Danny,

It's been a long year with Miss Windmiller
but your lucky you'll be rid of her I still
have two more years with her. I just want
to say I'll miss you in choir and ~~that~~ that
you were one of the worst tenors we had
you always sang out of tune. And now that
you're gone we'll have a good sounding choir
next year

James Payne

Danny,

Thanks for being a good friend this year. I don't remember
the years before too well. I pray that you will find
all that you really need in Jesus. "He is the Way,
the Truth and the Life." If you don't know what the
future holds then the normal thing to do is to get to
know He who holds the future. There is a lot in this
world to draw us away from an everyday relationship
with Jesus. In Him only can you find security that
lasts. Matt 6:33

Let Jesus set you free as a bird!

Yours because of Jesus,

George Atkinson

Danny,
